

Center Street Quilts Tiny Circle Zipper Pouch Tutorial

To be used with the Tiny Circle Zipper Pouch tutorial found at www.centerstreetquilts.com/tiny-circle-zipper-pouch-free-tutorial

Note: Print at template at "Actual Size" or "100%" (not "Fit to Page" or "Scale"). The diameter (across the center) of the circle should measure 4 1/2" when printed correctly, although small size discrepancies won't make a noticeable difference in the finished pouch.
